利東街是灣仔大型重建下的一個風雨之地。民間博物館計劃 (www.hkcmp.org) 為這條聞名遐邇的囍帖街作點不太尋常的視覺記錄。我們花了半年的時間，利用特殊的攝影手法和電腦技術，把完整一條街的建築面貌和商舖/住宅景觀呈現出來的，讓我們重新觀看熟識的街頭，整理出一條街道的生態。

Lee Tung Street, the renowned "Wedding Card Street" is a war zone in the middle of Wanchai's massive re-generation. Over the last 6 months, **Community Museum Project** (www.hkcmp.org), employing special photographic technique and digital technology, has constructed a complete view of the façade of the buildings as well as the spectrum of shops and residences, in an attempt to understand the ecology of a street. This is the same familiar street, but from an angle you do not see every day.
